Glad Greetings from New England

Sunnymede

Gladiolus! Wondrous color-sprays,
Gorgeous as the clouds in sunset's ray;
Endowed with charming form and dainty grace
Spires of beauty towering into space;
Floreate clusters; guarding swords of green—
Crown you Nature's wonder and proclaim you Queen.

Stanley Thorpe.

“Gladiolus Mrs. William E. Clark has been much admired in England this summer.”

—:—

“I was especially pleased with Ethelyn, Mrs. William E. Clark, and Sunnymede received from you. These are very beautiful and of most excellent coloring. A vase of Mrs. William E. Clark certainly brightens up an exhibit. It helped us win the Blue Ribbon and Silver Cup at the Annual Flower Show against the stiffest competition in the State.”

—:—

“Lady Dainty, I would say, is the most beautiful Gladiolus as a cut flower that I have ever seen.”
